

## SHAW MAKES TOUR OF NINTH DISTRICT

Ex-Secretary of Treasury Speaks at Wytheville and Bristol and Many Points Between.

[Special to The Times-Dispatch.]  
BRISTOL, Va., October 13.—Former Secretary of the Treasury Leslie M. Shaw addressed fully 3,500 people in the Ninth District of Virginia to-day, beginning his tour of the district with a two-hour speech at Wytheville, making seven rear platform talks en route to Bristol, and speaking to an audience of 1,000 people in the Harrell Theatre here to-night.

Mr. Shaw arrived at Wytheville from Roanoke at 9 o'clock this morning, and was greeted by a local committee. At 1 o'clock he was introduced by Congressman C. B. Slomp, and spoke for an hour and three-quarters to an audience that packed the Wytheville Opera House. The greater portion of his speeches at Wytheville and Bristol, like the ten-minute talks from the train, was devoted to the tariff question. Although he touched to some extent upon trusts and upon Bryan's record as an advocate of a different policy in each of his presidential campaigns, he contended that the policy of the Republican party was to build up industries, and by many humorous illustrations he sought to enforce his arguments.

Referring to the free silver issue, Mr. Shaw declared that McKinley, with the aid of 100,000 Democrats, who loved their country and their country's honor more than their party, was elected, and that as a result the country's financial policy was firmly fixed and the factories of the nation were put to work.

Mr. Shaw's reception at Wytheville was cordial, and he expressed himself that it was all he could have wished. Referring to the candidacy of Congressman Slomp for re-election, Mr. Shaw said that a statesman, like a lawyer, cannot be made in a day, and that Mr. Slomp has shown himself to be possessed of those attributes which make for success and usefulness in the career of a statesman.

Mr. Shaw's special train left Wytheville at 3 o'clock. The first stop was at Atkins, where the ex-secretary was introduced to a crowd of 100 by State Senator A. T. Lincoln, who, with Congressman Slomp and Mr. Anderson, took turns in introducing him at the various points.

At Atkins Mr. Shaw emphasized the necessity of the study of the science of government. Marlon furnished a crowd of 225 people. Mr. Shaw referred there to campaign contributions, complimenting those who contributed to the success of a principle. At Chilhowie 150 people heard what those on the train pronounced the best speech of the trip. He asked the Democrats present if they did not wish to belong to the Republican party, so that when they retire at night they will know what they will believe when they get up in the morning. Two hundred people at Glade Spring heard him compare the sales on the Chicago cattle market during succeeding Democratic and Republican administrations. At Emory 125 college students gave Mr. Shaw his only frost of the day. The boys would not listen to an announcement of Mr. Shaw's coming, and hissed the mention of Taft's name.

Mr. Shaw received a bouquet from a young lady at Meadow View, where a crowd of 150 heard him say that Cleveland's mistakes were those of the head and not of the heart. The last stop was made at Abingdon, where 500 persons were gathered. Mr. Shaw told them not to get excited if some one else gets rich, but to see that they do not get poor. He said that he, of course, ascribed as a result of Democratic rule. The speech here to-night was practically the same as that at Wytheville. The audience made frequent demonstrations of approval.

### BIG TOBACCO BREAK

Sales at South Boston Overtop All Previous Records.

[Special to The Times-Dispatch.]  
SOUTH BOSTON, Va., October 13.—Six hundred thousand pounds of tobacco were sold on this market to-day, scoring a record-breaker for South Boston. This was the largest quantity ever sold in the history of the town in a single day. The sales lasted throughout the entire day, running double this afternoon. The prices were generally satisfactory and averaged \$10 a hundred. One auctioneer sold 250 piles an hour. Many wagons were compelled to return home, but tobacco is still rolling in to-night, and large breaks are looked for the rest of the week.

## Nervousness Completely Cured

Mrs. Roan, of Rolling Fork, Miss., Tells of the Wonderful Restoration to Health of Her Husband and Herself—Mr. Roan Had Consumption and Mrs. Roan Nervousness and Constipation.

MRS. T. C. ROAN.

Mrs. T. C. Roan was a chronic sufferer from constipation and nervousness for over ten years. She says she tried everything that she could think of, and was treated by several doctors, but nothing seemed to relieve or help her until at last she employed Dr. Shivers, of Greenville, Miss., who prescribed Duffy's Pure Malt Whiskey, to be taken regularly four times a day—dessertspoonful in a glass of milk—and a few bottles made a complete cure.

Mrs. Roan writes that her health is better than it has been for years, and she heartily recommends Duffy's Pure Malt Whiskey as the greatest family medicine and tonic-stimulant, as it has cured her.

She also states that her husband, who had consumption, was completely cured after taking one and a half dozen bottles of Duffy's Pure Malt Whiskey. Any doctor who has ever treated lung trouble and tuberculosis, or any one who has ever had a touch of it, can realize what a wonderful thing this was—for a case to be cured with one and a half dozen bottles of Duffy's Pure Malt Whiskey, taken as ordered by a doctor.

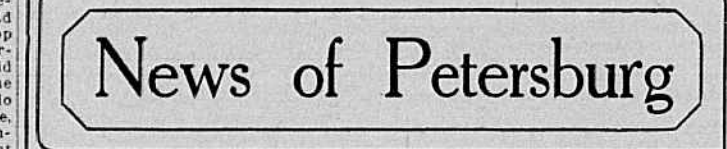

Mr. and Mrs. Roan are anxious to have their statement published broadcast, so that others who are suffering as they have may read it and be benefited, and they will be only too glad to answer any letters of inquiry they may receive in regard to their cure.

## Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic-stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system, is a promoter of health and longevity, makes the old young and keeps the young strong.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It is an absolutely pure, medicinal malt whiskey, and is sold in large sealed bottles only—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price \$1.00. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for a free illustrated medical booklet and free advice.

**Board of Aldermen Meet.**  
The monthly meeting of the Board of Aldermen was held yesterday afternoon, and the principal business was confined to concurrence in the appropriations made and the measures passed at last week's meeting of the common council. The Board, however, was informed by Dr. R. A. Martin, the health officer, of two recently developed cases of smallpox in the city, and promptly took action in the matter. The sum of \$500 was appropriated for a general vaccination by the city physicians, and \$1,000 was appropriated for repairs to the smallpox hospital.

T. Pannills started yesterday afternoon for Commissioner Bartlett Roper, Jr., several thirty-foot lots on Jefferson Street, at the following prices: Mrs. D. Pearson, vacant lot, \$650; B. A. Hartley, house and lot, \$1,775; vacant lot to S. M. D. Pope, \$500; two vacant lots to W. B. Rives, \$185 and \$1,010.

**Picture of Governor Smith.**  
A fine picture of former Governor William Smith, of Virginia, has been presented to A. P. Hill Camp of Confederate Veterans, and added to its gallery of famous soldiers. The picture was obtained from Colonel Thomas Smith, son of the Governor, by General Smith Bolling, who had it enlarged and presented it to the camp.

The heaviest frost of the season in this section formed last night, and some damage was done to vegetation. On complaint of Rev. Eli Tarte, pastor of Harrison Street (colored) Baptist Church, four members of the anti-Tarte faction in the congregation were served with peace warrants yesterday, charging them with threatening to do him bodily harm. The trou-

ble is alleged to have occurred in the church on Sunday. The Police Justice heard all the evidence in the cases this morning, and then discharged the accused men.

The committee of A. P. Hill Camp appointed to mark the scenes of important battles and noted events around Petersburg during the siege of the city have in part discharged that duty, and expect soon to complete the work. The committee is composed of Rev. Dr. J. M. Picher, chairman, and Commodore George S. Bernard and J. E. Whitehouse. A number of temporary markers have already been placed.

**Judge Samuel W. Williams, Democratic elector-at-large, will address the voters of Petersburg on Friday night. Church to-morrow night before the Woman's Home Mission Society, when there will be a union meeting of all the Methodist congregations in the city.**

## Lord Bacon Said, "Digest"

This is the Secret of Life in Business or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote, "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested." He wrote of books; many who have followed him have written likewise of life. The man who digests his business makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live.

It is not the food you swallow or taste that brings happiness to you; it is the food you digest.

If you swallow and taste and don't digest and chew, nature cannot give you health, for you do not furnish the ammunition.

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences of those foods which are the most palatable and digestible. They turn dyspeptic conditions into those of healthy digestion.

These little tablets are dissolved in the mouth by saliva; they mix with this fluid and are passed down into the stomach; where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and the result is a healthy, vigorous, and happy life. The world's best chemists in Europe and America agree on the ingredients, best adapted to perfect digestion. Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form. Powders and liquids soon lose their effectiveness through chemical actions and decay. Stuart's Dyspepsia Tablets are made under terrific pressure, and their qualities are thus made lasting. Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price, 50c. Send us your name and address, and we will send you a trial package of Stuart's Tablets free of charge. Address F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

War of 1861-'65, died yesterday evening. Mr. Thomas Eubank and his daughter, Miss Victoria, residing at Pot Walthall, in Chesterfield county, were recently bitten by one of Mr. Eubank's dogs. The dog was killed and the head sent to the Pasteur Institute, in Richmond, for examination. It was found that the dog had suffered from rabies, and to prevent ill effects Mr. Eubank and his daughter went to the institute for treatment, and are getting on all right.

### BUSY DAY IN BOWLING GREEN.

Assistant Secretary Hayes Did Not Care to Meet Tucker in Debate. [Special to The Times-Dispatch.]  
BOWLING GREEN, Va., October 13.—Caroline county Circuit Court convened this morning, with Hon. John E. Mason presiding. The docket was called and the cases were heard. A chancery entered. The grand jury brought in an indictment against Charles Crutcher, under statute; also an indictment against Herbert Covington for selling cider. The court then adjourned and turned the court-house over to the political speakers.

Hon. William A. Jones and Hon. St. George Tucker were present and addressed a large gathering. They discussed the issues of the day and the platforms of the two parties and the records of their respective nominees. Mr. Jones and Judge E. B. Taylor, of the United States Agricultural Department, now acting secretary, was here in the interest of Mr. Taylor and of Mr. Wise, who is opposing Mr. Jones. Senator C. U. Gravatt could not induce Mr. Hayes to meet Mr. Tucker in debate, and the whole matter was dropped on the square to an audience which soon dwindled away.

An interesting meeting of the Bowling Green Chapter of United Daughters of the Confederacy was held here yesterday for the purpose of presenting a memorial to the political speakers.

Rev. C. R. Crutcher opened the meeting with prayer, and the program of the exercises was announced by Judge E. B. Taylor.

Smoot sang "Carry Me Back to Old Virginia," with chorus by the audience. The exercises were then given by Hon. William A. Jones, assistant secretary of the United States Agricultural Department, now acting secretary, was here in the interest of Mr. Taylor and of Mr. Wise, who is opposing Mr. Jones. Senator C. U. Gravatt could not induce Mr. Hayes to meet Mr. Tucker in debate, and the whole matter was dropped on the square to an audience which soon dwindled away.

The meeting was closed by "My Old Kentucky Home," sung by Miss Bessie Wilson, of the Bowling Green Female Seminary.

### MERCHANTS OPPOSE MERGER.

Telephone Companies Will Meet Opposition in Norfolk City Council. [Special to The Times-Dispatch.]  
NORFOLK, Va., October 13.—There will be strenuous opposition in the City Council to the proposed consolidation of the Southern States Telephone Company with the Southern Bell Telephone and Telegraph Company. The Retail Merchants' Association objects to the terms and conditions of the merger.

Any amendment of the present franchise will provoke a bitter fight, and the leaders of the opposition are confident that it will fail to pass the Council. The present franchise, given years ago, is subject to revocation or amendment, should the service rendered or the prices charged be unsatisfactory or unjust to the people. This right has never been exercised. It is argued, and it may never be necessary to exercise it, but it is the one power that can be wielded over the company to force the proper service.

The exact working of the clauses as to rates is also unsatisfactory. It says that Norfolk shall enjoy the telephone rates prevailing in the city of similar size, with the same relative number of phones. The change wanted is that Norfolk shall enjoy the lowest of these rates granted to any other city.

The Council will take up the proposition as submitted by the retail merchants at a November meeting, when it is believed that the entire matter will be placed in the hands of a special joint committee to report back.

### WORK ON TUNNEL BEING PUSHED.

Southern's "Cut-Off" Tunnel Expected to Be Completed This Spring. [Special to The Times-Dispatch.]  
LYNCHBURG, Va., October 13.—The work on the Southern's "cut-off" tunnel under Rivermont is progressing, despite the fact that heavy timbers have been under repair for more than a month. The top of the tunnel is protected by a temporary device until the timbers can be replaced.

The timbers are being replaced by the work of the road crew, and the work is being pushed forward now with more rapidity than at any time since it was started.

The management of the Southern desires to have this tunnel ready for the winter, curing the spring if possible. It will not be many more weeks before the crown will be completed and then the work can be started on the lower level, where the work will be much more rapid than it has been on the upper level.

The School Board is anxious to provide additional facilities, and will soon as the funds are available. ## LAYMEN TALK OVER WORK OF MISSIONS

Nearly 500 in Attendance Upon Conference in Lynchburg. Prominent Men Speak.

[Special to The Times-Dispatch.]  
LYNCHBURG, Va., October 13.—The conference of the Laymen's Missionary Movement of the Virginia Synod of the Presbyterian Church convened here this afternoon with an attendance of nearly 400 laymen from the States of Virginia, Maryland and West Virginia and the District of Columbia. The body will be in session through to-morrow, closing with a night session. The attendance will probably be upwards of 500.

Ex-Governor J. Hoge Tyler, of Pulaski, Va., is presiding over the conference. The Union Theological Seminary quartet, of Richmond, is assisting in the music. The welcome address was made this afternoon by George E. Caskey, a well-known lawyer, to which Dr. George H. Denny, president of Washington and Lee University, Lexington, responded. Dr. Denny's theme was "The Significance of the Missionary Uprising of Men."

"The Consecration of Capacity" was the subject of the address by Dr. Harris E. Kirk, of Baltimore, whose effort was a masterpiece, and one which was listened to with the greatest interest and eloquence in a degree that is unusual.

To-night the addresses were by Judge William H. Mann, of Nottingham, on "American Obligations to the Non-Christian World," and Dr. J. O. Reavis, of Nashville, Tenn., on "The Present Missionary Outlook."

The conference is being held at the First Presbyterian Church, and the majority of the visitors are being entertained in the homes of the city.

## FOR MURDER OF JUSTICE

Two Negroes Sentenced to Fourteen Years—Open Season for In-Laws. [Special to The Times-Dispatch.]  
GATE CITY, Va., October 13.—John Grice and James Smith, negroes, were each sentenced to the penitentiary for a term of fourteen years in the Circuit Court here for the murder of James Moorefield, a justice of the peace, who lived at Clinchport. The murder was committed at a railroad camp at Peppers Ferry six months ago. Moorefield and two white men, one of them a negro named Allen Madden, went to the camp to arrest the negroes, Madden having informed Moorefield that the negroes were wanted in West Virginia upon a murder charge. When the men reached the camp, they were fired on by the negroes, and Moorefield's dead body was found a few steps from the camp the next morning.

Since the murder of Moorefield, Madden is charged with having been implicated in the murder of a negro at a railroad camp in Sullivan county, Tenn., and is now in jail at Blountville, in that county.

Charged with the murder of his brother-in-law, Samuel Gilliam, Iva Parks was sentenced to the penitentiary for one year.

Ed. Jones, charged with the murder of his father-in-law, William Bishop will probably be tried at this term of the court.

## FOUND BUT ONE CURE FOR ECZEMA

Many Different Remedies and Even Hospital Failed—Suffered 3 Years with Severe Itching, Scuffy Skin—Could Hardly Stop Scratching.

"About three years ago I was troubled by a severe itching and dry, scuffy skin on my ankles and feet. I could hardly keep from scratching. In a few days large red patches appeared and after that pimples formed. I went to the hospital, and the doctors pronounced it a very bad case of eczema. I went to the hospital two months and obtained a very little relief. I tried many different remedies for at least ten months, but none seemed to cure me. They would relieve me for a week or two, but my skin would be full of pimples, the same as ever. Later I decided to try the Cuticura Remedies, and I am very thankful I did, for after using the Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent Pills, I was completely cured. I hope that any one suffering as I did will try the Cuticura Remedies. Miss Teckla Pech, 1422 Fifth St., Highlandtown, Md., Jan. 14, 1908."
